VARIANCE OR SPECIAL USE PERMIT REQUIRED? Yes No

A variance or special use permit is required when one or more of the restrictions listed below will not be adhered to.

Restrictions

- A. Registration shall be required.
- B. All business shall be transacted by mail, telephone, fax, or on-line computer.
- C. There shall be no signs visible from the street and no stock publicly displayed in a private home in a residential district.
- D. There shall be no additional foot or auto traffic created by the operation.
- E. No product, purchased, assembled, or constructed on site, shall be sold over the counter either retail or wholesale, in a private home in a residential district.
- F. There shall be no additional employees other than members of the immediate household.
- G. The homeowner and or business operator shall reside (live) in the home.
