It is the intent of the parties by this Ordinance to extend for an additional term, subject to the terms and conditions here stated, the authorization to Ameren Illinois, its successors and assigns, to construct, operate and maintain a utility system within the City as originally authorized by Ordinance No. 631 approved on July 22, 1959 and Ordinance No. 2012-17 approved on December 19, 2012. The parties acknowledge that by so doing they are continuing an existing relationship authorizing the services of a utility for the provision of electric energy and other purposes within the City for the benefit of its citizens and residents as well as other consumers of electric energy located within its corporate limits. For purposes of construing the terms, rights and obligations of the parties this authorization is granted pursuant to Section 14 of the Electric Supplier Act, 220 ILCS 30/14, and the Illinois Municipal Code, 65 ILCS 5-1-1-1, et seq.

1.2 Grant of Franchise. There is hereby given and granted to Ameren Illinois, its successors and assigns (hereinafter referred to as the Company), the right, privilege and authority to construct, operate, maintain and/or extend within the corporate limits, as the same now exists or may hereafter be extended, of the City of Fairbury (hereinafter referred to as Municipality), an electric utility system for the transmission, distribution and/or sale of electric energy and other purposes (the System), together with the right, privilege and authority to erect, construct, install, operate and/or maintain all poles, conductors, wires, cables, conduits, equipment and/or other apparatus (collectively Facilities) as may be necessary or convenient for the System, in, upon, along, over, under, through and/or across each and all of the streets, avenues, alleys, bridges, easements, rights of way and/or other public places (collectively Public Thoroughfare).

1.3 Successors and Assigns. The rights, privileges and authority hereby granted shall inure to and be vested in Company, its successors and assigns, successively, subject to all of the terms, provisions and conditions herein contained, and each of the obligations hereby imposed upon Company shall devolve and be binding upon its successors and assigns, successively, in the same manner.

Section 2
Term

2.1 All rights, privileges and authority given and granted by this Ordinance are granted for a term of 20 years from and after the acceptance of this Ordinance as hereinafter provided (the Initial Term), and thereafter on a year-to-year basis (each a Subsequent Term) unless either the Company or Municipality notifies the other in writing of its desire to terminate this Ordinance at least six (6) months prior to the expiration of the Initial Term or any Subsequent Term.

Section 3
Franchise Fee and Tax Consideration

3.1 Franchise Fee. As a further consideration for the rights, privileges and authorities granted by this ordinance, the Company shall, in Year 1 of the agreement, furnish municipality compensation in the amount of \$5,320, payable within 30 days of the acceptance of this ordinance by the municipality. In subsequent years, payment will be made within 30 days of the anniversary date of the ordinance on the following graduated scale: Year 2 - \$8,240; Year 3 - \$11,160; Year 4 - \$14,080; and Year 5 and all remaining years - \$16,985. Municipality may request a revision to the compensation amount after five years from the date of passage of this ordinance if Municipality has a reasonable belief that its population has increased or decreased by 3% or more. Municipality must request the revision at least 60 days prior to the next anniversary date. If Company confirms that the number of customers served by the System within Municipality's corporate limits has increased or decreased by 3% or more, the compensation amount will be revised by that percentage for the next and succeeding payments. Municipality may request similar revisions to compensation amounts under these criteria in additional five year periods throughout the term of this ordinance.

All Facilities of Company in said Municipality shall be installed and maintained in accordance with the applicable rules and regulations of the Illinois Commerce Commission.

When any Public Thoroughfare shall be graded, curbed, paved or otherwise changed, or when there is a relocation of such Public Thoroughfare, so as to make the resetting or relocation of any Facilities placed or installed under this Ordinance necessary the Company shall make such resetting or relocation, at the Company's cost and expense as qualified. The work is reasonably necessary for the construction, repair, maintenance, improvement or use of such Public Thoroughfare; is reasonably necessary for the location, construction, replacement, maintenance, improvement or use of other property of the Municipality; or is reasonably necessary for the operations of the Municipality. If the setting or location, or resetting or relocation of any Facilities is required for aesthetic purposes, the Municipality shall reimburse the Company for the resetting and/or relocation. The Company, as determined in discretion will not be responsible for the expense of removals, relocations, changes or alterations required by the Municipality for the purpose of assisting either private projects, aesthetic reasons, or a municipal electric utility. Municipality shall provide the Company with a suitable location for the resetting or relocation of such Facilities, and the Company's obligation shall be limited to resetting or relocating the Facilities of the same type and configuration as the displaced Facilities. Company shall make such resetting or relocation within a reasonable time after receiving written notice of the need for the same from the authorized representative of the Municipality, and the establishment by the Municipality of the permanent grade at the new location. Except as expressly stated, nothing in this Section requires the Company to bear responsibility for any costs or expenses to relocate its Facilities for any other reason or cause.

4.3 Permit Obligation. This Ordinance shall not relieve Company of the obligation to comply with any ordinance now existing in the Municipality or enacted in the future requiring Company to obtain written permits or other approval from the Municipality prior to commencement of construction of Facilities within the Public Thoroughfares thereof, except Company shall not be required to obtain permits or other approval from the Municipality for the maintenance, upgrading and repair of its constructed Facilities. If, at any time, during the term of this contract, Municipality permits another entity or person to provide electric distribution or similar services, and Company reasonably believes the other entity or person is granted more favorable treatment, terms, or conditions, then Company shall notify Municipality of such treatment, terms, or conditions. Alternatively, if Municipality reasonably believes the other entity or person grants Municipality more favorable treatment, terms, or conditions, then Municipality shall notify Company of such treatment, terms, or conditions.
